

CALL FOR APPLICATIONS

**MASTER OF BUSINESS
ADMINISTRATION (MBA)**

SPRING 2026 TERM

CLASSES BEGIN: ANUARY 19, 2026

I. APPLICANT PROFILE

Graduates with a bachelor's degree and experience, interested in developing their leadership skills to manage changes with a focus on the sustainable development of organizations. Entrepreneurial individuals interested in diagnosing their company or institution and developing a strategic direction that improves their productivity, growth, and social development.

II. GRADUATE PROFILE

The graduate of this master's program will be a critical, ethical, and innovative leader who will influence the sustainable growth of organizations with a global vision, as well as consistent with the needs of their environment. Capable of managing, directing, and leading organizations with a human sense, while positively impacting their technological transformation and sustainable development in volatile, uncertain, complex, turbulent, ambiguous, and novel contexts.

III. ADMISSION PROCESS & REQUIREMENTS

a) Requirements

- Have previous bachelor's degree studies in any area of knowledge, administration, business, or related fields.
- Prove English proficiency, minimum 460 points ITP TOEFL, or equivalent. Check the accepted English certificates for admission to the postgraduate program available [here](#).
- Prove a minimum of three years of professional experience after graduating from the bachelor's degree.
- Complete the admission process established for this program.

b) Documents

- Bachelor's degree certificate (translated to Spanish or apostilled).
- Complete bachelor's degree act or evidence of being in process.
- Professional license or evidence of being in process.
- Birth certificate.
- CURP (once you're living in Mexico).
- Curriculum Vitae in ITESO format, proving a minimum of three years of experience after graduating from the bachelor's degree, available [here](#).
- Letter of motivation in ITESO format. With a minimum of 150 words per answer, available [here](#).
- [Schedule](#) and present an ITP TOEFL (Institutional Testing Program) TOEFL exam from the Educational Testing Service (ETS) in person at ITESO and obtain a minimum of 460 points.

c) Application steps

1. Register and complete the admission application, which must be filled out online, available [here](#).
2. Schedule and attend an interview with the program's admission committee.
3. If admitted, you will receive an admission letter.
4. Submit the required original documentation to the School Services Department (DSE).
5. Once enrolled, you must register your subjects in the school system.

Duration: Two and a half years. Six to seven school cycles considering two summers. Suggested route available [here](#).

VI. SCHOLARSHIPS & FINANCIAL SUPPORT

Note: For any of the following educational supports, consult terms and conditions.

ITESO Scholarships and/or Educational loans

It is maintained throughout the beneficiary's studies, as long as they meet the established academic requirements. This support does not oblige the student to provide any service, inside or outside the institution, and does not limit access to university services. This support is not cumulative with other financial support offered by ITESO. For more information, contact Mtra. Jessica López at (33) 3669 3434, ext. 3805, and at jjlopez@iteso.mx

Application period: August 25 to November 21, 2025

Business - Institutional Benefit

Direct discount for employees of companies and institutions with which ITESO has collaboration agreements. Consult with the postgraduate advisor, the list of active companies and institutions and their benefits. This support is not cumulative with other financial support offered by ITESO.

Deadline: January 23, 2026

Foreign Benefit

20% scholarship for foreigners presenting a birth certificate. This support is not cumulative with other financial support offered by ITESO

Deadline: January 23, 2026

Sibling benefit

10% to 20% scholarship depending on the number of siblings currently studying at ITESO. This support is not cumulative with other financial support offered by ITESO.

Deadline: January 23, 2026

ITESO Alumni benefit

0% scholarship presenting your ITESO alumni card. This support is not cumulative with other financial support offered by ITESO.

Deadline: January 23, 2026

SUJ Alumni benefit

15% scholarship for graduates of the Jesuit University System presenting an alumni card. This support is not cumulative with other financial support offered by ITESO.

Deadline: January 23, 2026

AUSJAL Alumni benefit

5% scholarship for graduates of Jesuit universities in Latin America belonging to the AUSJAL network presenting an alumni card. This support is not cumulative with other financial support offered by ITESO.

Deadline: January 23, 2026

FIDERH Credit

Federal trust, administered by Banco de México, that allows financing postgraduate studies. In addition to the percentage assigned by FIDERH, ITESO grants a 20% direct scholarship (to which no other financial support from ITESO can be added). Dates: check the open call from FIDERH at <https://www.fiderh.org.mx/> (note: FIDERH only publishes the dates of the next immediate call. Throughout the year it has approximately 5 calls).
